## SUPPLEMENTARY INFORMATION:

### Background

On October 27, 2021, Commerce published its *Final Results* in the 2018-2019 AD administrative review of circular welded carbon-quality steel pipe from UAE.<sup>1</sup> Commerce found that the use of facts available was warranted, pursuant to section 776(a) of the Tariff Act of 1930, as amended (the Act), and that Ajmal failed to cooperate to the best of its ability to comply with a request for information, within the meaning of section 776(b)(1) of the Act.

Consequently, Commerce assigned Ajmal the highest dumping margin alleged in the petition (*i.e.*, 54.27 percent), in accordance with section 776(b) of the Act and 19 CFR 351.308(a).<sup>2</sup>

Ajmal appealed Commerce's *Final Results*. On October 28, 2022, the CIT remanded the *Final Results* to Commerce to accept and consider Ajmal's section A response and to determine a new estimated dumping margin for Ajmal that does not resort to section 776 of the Act with respect to the filing of the company's response to section A of the questionnaire.<sup>3</sup>

In its final remand redetermination, issued in January 2023, Commerce calculated Ajmal's weighted-average dumping margin based on Ajmal's reported data.<sup>4</sup> The CIT sustained Commerce's final redetermination.<sup>5</sup>

### Timken Notice

In its decision in *Timken*,<sup>6</sup> as clarified by *Diamond Sawblades*,<sup>7</sup> the Court of Appeals for the Federal Circuit held that, pursuant to section 516A(c) and (e) of the Act, Commerce must publish a notice of court decision that is not "in harmony" with a Commerce determination and

must suspend liquidation of entries pending a “conclusive” court decision. The CIT’s March 3, 2023, judgment constitutes a final decision of the CIT that is not in harmony with Commerce’s *Final Results*. Thus, this notice is published in fulfillment of the publication requirements of *Timken*.

#### Amended Final Results

Because there is now a final court judgment, Commerce is amending its *Final Results* with respect to Ajmal as follows:

<b>Exporter / Producer</b>	<b>Weighted-Average Dumping Margin (Percent)</b>
Ajmal Steel Tubes & Pipes Ind. LLC	0.57

#### Cash Deposit Requirements

Because Ajmal has a superseding cash deposit rate, *i.e.*, there have been final results published in a subsequent administrative review, we will not issue revised cash deposit instructions to U.S. Customs and Border Protection (CBP). This notice will not affect the current cash deposit rate.

#### Liquidation of Suspended Entries

At this time, Commerce remains enjoined by CIT order from liquidating entries that: were produced and exported by Ajmal and entered, or withdrawn from warehouse, for consumption during the period December 1, 2018, through November 30, 2019. These entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

In the event the CIT’s ruling is not appealed, or, if appealed, upheld by a final and conclusive court decision, Commerce intends to instruct CBP to assess antidumping duties on unliquidated entries of subject merchandise produced and exported by Ajmal in accordance with 19 CFR 351.212(b). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific *ad valorem* assessment rate is not zero

or *de minimis*. Where an import-specific *ad valorem* assessment rate is zero or *de minimis*,<sup>8</sup> we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.
